Alpine skiing

ALPINE AND CROSS-COUNTRY SKIING

Baqueira Beret	Slopes	15 ● 37 ● 41 ● 6 ● 3
	Skiable area	2.166 ha/153 km
	Cross-country ski trails	7 km
	Ski lifts	35

25598 Baqueira
www.baqueira.es
Tel 973 639 010

The largest ski resort in Spain, celebrated its 50 anniversary in 2014. Situated in Val d'Aran, it is surrounded by peaks reaching 3,000 m and has an Atlantic climate that ensures snowfalls all winter long. The Val d'Aran stands out for its architectural unity, houses built of stone, slate and wood. Special mention to the Romanesque churches should be made.

- Activities
-

Port Ainé	Slopes	4 ● 11 ● 4 ● 6 ● 3
	Skiable area	67 ha/26,7 km
	Ski lifts	8

25577 Riarp
www.portaine.cat
www.skipallars.cat
Tel 973 627 604

Located in the Pallars Sobirà County, this resort, with its highest point at Orri peak (2,440 m), is a place of extraordinary natural beauty. The strategic location of the lifts enables to access all the ski area quickly and easily. With most part of the slopes facing the north face, it ensures an outstanding snow quality during the whole winter season. This resort has one of the best snowparks of the region.

- Activities
-

Boí Taüll Resort	Slopes	9 ● 25 ● 8 ● 6 ● 3
	Skiable area	550 ha/45,28 km
	Ski lifts	10

25528 Vall de Boí
www.boitaulresort.com
Tel 902 406 640

With its base at 2,020 m and Puig Falco summit (2,751 m), Boí Taüll is the highest-located ski resort in the Catalan Pyrenees. Located in the Boí Valley, it offers amazing views: the Cadi mountain range to the east and the Aneto and Maladeta to the west. It stands out for the group of eight Romanesque churches and the hermitage declared part of UNESCO's World Heritage in 2000.

- Activities
-

Port del Comte	Slopes	6 ● 13 ● 11 ● 7 ● 3
	Skiable area	50 km
	Ski lifts	16

25284 La Coma i La Pedra
www.portdelcomte.net
Tel 973 492 301

The northern part of the Solsonès County is one of the most beautiful areas in the Catalan Pre-Pyrenees. There, surrounded by a large forest of mountain pine covering the entire mountain, and with wide ski trails and slopes suitable for all levels, you will find a ski resort where the whole family will feel at ease. Ideal for all those skiers who want to avoid overcrowding.

- Activities
-

Espot Esquí	Slopes	4 ● 6 ● 10 ● 2 ● 3
	Skiable area	63 ha/25 km
	Ski lifts	6

25597 Espot
www.espotesqui.cat
www.skipallars.cat
Tel 973 624 058

Located next to the Aiguëstortes and Estany de Sant Maurici National Park, in the Pallars Sobirà County, Espot Esquí is a ski resort with most of its trails among trees. The station has a large area for beginners at 2,000 metres above the sea level and an important snow garden. It also has some outstanding sporting facilities and has hosted World Cups and Telemark World Cups.

- Activities
-

ALPINE AND CROSS-COUNTRY SKIING

Tavascan	Slopes	2 ● 2 ● 1 ● 2 ● 3
	Alpine skiing	5 km
	Cross-country ski trails	14 km
	Ski lifts	3

17534 Tavascan
www.tavascan.net
Tel 973 623 089

It is a small alpine and cross-country skiing mixed resort what enables you to enjoy high mountains in its purest form. The station is 10 km away from the town of Tavascan, in the Pallars Sobirà County, in an area of great natural beauty. Suitable for alpine, mountain and cross-country skiers, as well as snowboarders, whether novice or the most expert.

- Activities
-

La Molina	Slopes	7 ● 19 ● 18 ● 17 ● 3
	Skiable area	171 ha/67,35 km
	Ski lifts	15

17537 La Molina
www.lamolina.cat
Tel 972 892 031

La Molina, the oldest ski resort in Spain, installed its first commercial ski lift in 1943. Located in the Cerdanya region, it offers excellent services and activities for all ages. It is well renowned for being the cradle of many skiers in the classic Pista Larga as well as for having hosted major events such as the Alpine Skiing and Snowboard World Cups.

- Activities
-

Vall de Núria	Slopes	2 ● 3 ● 3 ● 3 ● 3
	Skiable area	20,88 ha/7,6 km
	Ski lifts	5

17534 Queralbs
www.valldenuria.cat
Tel 972 732 020

Núria breathes nature and tradition. Surrounded by mountains reaching nearly 3,000 metres, this ski resort, located in the Ripollès County, has its base in the imposing Vall de Núria Sanctuary. This is an especially quiet resort, accessible only with the rack railway from Ribes de Freser, a fact that has made it one of the most special tourist destinations in Catalonia.

- Activities
-

Masella	Slopes	9 ● 23 ● 24 ● 9 ● 3
	Skiable area	74 km
	Ski lifts	18

17538 Masella Alp
www.masella.com
Tel 972 144 000

This ski resort, located in the sunny Cerdanya Valley, is renowned for its magnificent forests, which cover the slopes of the Tossa d'Alp Summit at 2,535 meters. Both, north facing slopes and dense forest, favour good snow conservation. Since 2013 it has 10 km of lighted trails for night skiing to enjoy skiing in anyway.

- Activities
-

Vallter 2000	Slopes	1 ● 6 ● 3 ● 3 ● 3
	Skiable area	48 ha/18,73 km
	Ski lifts	11

17869 Setcases
www.vallter2000.com
Tel 972 136 057

Vallter 2000, a belvedere overlooking the Mediterranean. This welcoming and family resort offers an interesting combination of mountain skiing ascent and alpine skiing descent: Up & Down. Ideal for ski mountaineering, snowshoeing and downhill skiing, with slopes suitable for skiers of all levels. From its highest point at 2,535 m, amazing views over the Costa Brava.

- Activities
-

Cross-country skiing

Aransa	Cross-country ski trails	31 km
	Snowshoe itineraries	15 km

25726 Aransa
www.aransaesqui.cat
Tel 973 293 051

Ski resort in the Cerdanya offering a great variety of itineraries and possibilities for cross-country skiers, whatever their level. Many of the waymarked trails pass through forests of mountain pine and landscapes of great natural beauty.

- Activities
-

Guils Fontanera	Cross-country ski trails	45 km
	Snowshoe itineraries	15 km

17528 Guils de Cerdanya
www.guils.com
Tel 972 197 047

This municipal ski resort of Guils de Cerdanya is located on a north-faced slope under the Atlantic climate influence and that means the ski season is longer. When the resort is in full swing, it can offer up to 45 km of trails and 25 potential independent or interlaced circuits.

- Activities
-

Lles	Cross-country ski trails	36 km
	Snowshoe itineraries	15 km

25726 Lles de Cerdanya
www.lles.net
Tel 973 293 100

The beautiful landscape of this resort which alternate dense forests of mountain pine with breathtaking views of the Cadi mountain range and the Cerdanya valley, together with a generally favourable climate, will make you fully enjoy the peace and quiet of nature.

- Activities
-

Tuixent-La Vansa	Cross-country ski trails	28 km
	Snowshoe itineraries	15 km

25717 Tuixent
www.tuixent-lavansa.com
Tel 973 430 030

Located in the Port del Comte mountain range, this ski resort offers wide and varied trails, passing through landscapes of great beauty. The Pedraforca peak and the Verd and Cadi mountain ranges are the silent and visible backdrop to the ski trails. The resort also includes waymarked itineraries for snowshoeing, all of them with breathtaking views of the Pyrenees.

- Activities
-

Virós Vallferrera	Cross-country ski trails	23 km
	Snowshoe itineraries	8 km

25574 Alins Vallferrera
www.refugigallfer.com
Tel 972 432 543

Situated in the incomparable setting of the Alt Pirineu Natural Park, this resort offers several trails running through a forest of great natural beauty. The resort's base is the Gall Fer mountain refuge, located at 1,700 meters altitude. It is a small cosy refurbished lodge, watched over by a keeper, and equipped with basic amenities.
